

2008 Eastridge Little League
Equipment Inspection Necessities
and Replacement instructions

1. Destroy unusable equipment and toss in garbage bin
2. Bats must be smooth surfaced. No cracks or dents in aluminum or wooden bats.
3. Batting helmets must be in perfect shape. No cracks, dents or loose cushion parts.
4. Issue safety kits and replace parts as needed. A list of Safety officer, Player agents and board members phone numbers will also be provided.
5. Accident forms and paperwork are issued for reporting and follow up purposes.
6. Advise managers / coaches about safety issues for practice and game events. Inspect fiends before games and practice. Hazards should be removed from field a.s.a.p.
7. Cell phones at practice sire and snack shack should be available for quick response when emergencies arise.
8. Eastridge Little League is fortunate to have an ambulance available at Reid-Hillview should an emergency arise.
9. Track equipment need sand use form to remind coaches.
