

Rules & Safety Instructions **for Inspecting Fields**

Home Team

1. Rake and water infield areas. Deep water around the bases and the plate.
2. Put out bases and umpire equipment
3. Provide scorekeeper
4. Provide one game ball
5. Collect cap money in 4th inning and turn into scorekeeper (there is no cap money in juniors and seniors.)
6. Return cap money and score sheet to snack shack after the game is completed.
7. After the last game of the day, return umpire equipment and bases to the storage area.
8. Pick up litter from playing field, dug outs and spectator areas after the game.
9. Managers/Coaches and umpire should inspect field prior to game. Remove any hazardous materials from the fields after games and practices and inform safety officer of any particulars.

Visitors

1. Provide one game ball
2. Collect cap money in 4th inning and turn into scorekeeper (there is no cap money in juniors and seniors.)
3. Pick up litter from playing field, dug outs and spectator areas after the game.

Odds & Ends

1. Players can not visit the snack shack before or during their games.
2. Only managers / coaches and scorekeepers are allowed in the score box.
3. Each team will receive at least 10 baseballs per half and provide one of the teams balls after each game. After the game, retrieve the baseball for practice.
4. Each team gets 10 minutes of pre-game infield practice, if time permits.
5. Gates from the dugouts to the field must be closed during the game.
